SUBCLASS FEATURES

FOUNDATION

Type Devotion

Choose one Pokémon type as your specialization. Your chosen-type Pokémon may draw domain cards one level higher than your current level allows. This applies only to your chosen type domain.

SPECIALIZATION

Finishing Blow

When your chosen-type Pokémon lands a critical hit, they deal maximum damage instead of rolling.

MASTERY

Type Immunity

Your chosen-type Pokémon gain resistance to their type's natural weaknesses. When they would take damage from a super effective move, that move instead deals normal damage with no type modifier.
